Statement of Purpose:

The faculty of our school is committed to providing a quality education for all students and recognizing the essential role of parents and the value of their input.

Goal 1: Student and Parent Information Goal

During the 2025-2026 school year, JHS will provide students and parents with a resource center where they can gain information on topics of importance.

- Parents will have an opportunity to use a computer at JHS to check grades and visit educational websites.
- We will also provide brochures and pamphlets for parents and students with relevant topics.
- Parents will be encouraged to view the Title I Plan on JHS's webpage and a printed copy at the school.
- A suggestion sheet will also be available for parental input.

Goal 2: Communication

During the 2025-2026 school year, JHS will increase transparency by regularly communicating with parents on student success and information about the Title Program and upcoming events.

- The school's website will be updated regularly to provide relevant information with a calendar of events.
- The school will send mass text messages and letters informing parents of meetings and important events – JHS students and parents.
- The school will use the student handbook, website, parent resource center, Facebook, and student binder to share the school's Title I Plan and how to get a copy upon request.

- JHS principal will email a monthly newsletter that provides information about Title services and school events.

Goal 3: Parent Involvement

During the 2025-2026 School Year, JHS will invite parents to collaborate with JHS staff in person at least 4 times over the course of the school year.

- Career Night
- FAFSA and Scholarship Night
- Parent Teacher Conferences
- Friday Support
- Family Engagement Evenings
- Parents will be invited to help us develop the parental involvement plan. We will get their input by:
 - Sharing the plan and gathering input at Parent Teacher Conferences.
 - Inviting parents to participate in planned Community Career Nights.
